SHIT COIN ($SHIT) ~~White~~ Toiletpaper

💩THE ULTIMATE MEME COIN

1 Introduction

$SHIT is a BRC-20 token launched on the BitTorrent Chain (BTTC), inspired by the legendary words of Justin Sun himself when he declared, "Buy my shitcoin!" . SHIT is the True fair launch (all users buy at the same price) meme coin on the BitTorrent Chain (BTTC).

2 Objective

The objective of $SHIT is to spread joy, unleash laughter, and create a community where hilarity reigns supreme. We aim to be the catalyst for side-splitting moments, generating smiles and chuckles in a world that sometimes takes itself a bit too seriously. $SHIT is here to remind us all that life is better when we can share a good laugh and embrace the absurdity of it all. So, join us on this lighthearted journey as we sprinkle humor everywhere and leave a trail of giggles in our wake!
